

Memorandum

Date: April 24, 2007

To: Honorable Chairman Bruno A. Barreiro
and Members, Board of County Commissioners

Agenda Item No. 8(C)(1)(A)

From: George M. Burgess
County Manager

Subject: Application for a Limited ~~Passenger Motor~~ Carrier Certificate of Transportation by Unique Charters, Inc.

RECOMMENDATION

It is recommended that the Board approve the application of Unique Charters, Inc. for a Limited Passenger Motor Carrier Certificate of Transportation. The Limited Certificate for Unique Charters, Inc. is for transportation work under MDT Contract Q83G.

BACKGROUND

On February 17, 1981, the Board of County Commissioners adopted Ordinance 81-17, relating to the regulation of Passenger Motor Carriers. These requirements and subsequent amendments were codified in Article III, Chapter 31 of the Code. Section 31-103 of the Code provides the procedure to be followed by Miami-Dade County in processing certificate applications. Based on those requirements, a public hearing has been scheduled before the Board of County Commissioners. At the conclusion of the public hearing, the Board may issue or refuse to issue the certificate, or issue the certificate with such modifications or upon such terms and conditions as in its judgment the public interest may require.

Section 31-103 (p) provides that a passenger motor carrier proposing to provide transportation services pursuant to a contract with Miami-Dade County for the provision of Miami-Dade Transit Agency services, may satisfy the passenger motor carrier certificate requirements by obtaining a Limited Certificate of Transportation. A holder of a Limited Certificate of Transportation must comply with all requirements of the Miami-Dade County Code pertaining to holders of a Certificate of Transportation; however, the requirements of Section 31-103(e) pertaining to hearings, notices, and administrative protest procedures and Section 31-103(f) pertaining to advance notice to certificate holders and applicants do not apply. The Limited Certificate of Transportation shall only authorize provision of transportation services pursuant to the contract for so long as the contract is in effect. A person who is issued a Limited Certificate of Transportation shall not lease or otherwise assign the right to operate under the certificate to any other person.

ANALYSIS

Unique Charters, Inc., located at 3600 South State Road 7, Suite 301, Miramar, Florida 33023, proposes to provide contract passenger transportation solely in accordance with the terms and conditions of MDT Contract Q83G. In order to provide transportation services using vans and minibuses, Unique Charters, Inc. must be licensed under Chapter 31 and accordingly filed this application for a Limited Certificate.

The management plan submitted by Mr. Randolph Smith, President of Unique Charters, Inc., includes maintenance, communication, and record keeping systems and meets the requirements of the Code. All required financial statements and credit references have been submitted and the proposed service standards to be met are outlined in the MDT contract. A background investigation reveals no criminal conviction for the applicant or any corporate officers within five years of the date of the application. There has been no enforcement history.

The attached resolution will approve Unique Charters, Inc. as holder of a Limited Passenger Motor Carrier Certificate, which is required for transportation services, pursuant to the contract, using vans and minibuses.

Resolution No. R-1404-98 prohibits the acceptance of applications for new Certificates of Transportation until amendments are made to Article III, Chapter 31 of the Code, unless one of four conditions are met. One of the conditions is a finding of public interest. It is in the best interest of the County to approve this Limited Certificate in as much as it will enable MDT to make full use of this member of the pool of contractors for transportation services.
